

Say something
nice/ Hands on

Someone who kept
the group going...

Someone who
listens well...

Someone who you
helped...

Someone who had
good ideas...

Someone who was
brave...

Someone who
should have listened
more...

Someone you
would like to
thank...

Someone who surprised you...

Someone who made others aware of what was happening...

Someone who was patient...

Someone who showed determination...

Someone who was supportive...

Someone who kept the group going...

Someone who cared about others feelings...

Someone who improved...

Someone who led
the group...

Someone who was
easy to trust...

Someone who
made a difference...

Someone who was
quiet...

Someone who didn't
get involved...

Someone who made
sure others were
okay...

Someone who
worked hard...

Someone who made
others laugh...
